Sponsorship Packages

We believe in the power of connection.

In a world where technology is constantly changing and advancing, Technology First was founded with one objective: to connect and strengthen the technology community. We provide a forum where thought leaders gather to engage and connect to grow their businesses, themselves, and the future of technology.

Our Mission

We connect, strengthen and champion the technology community.

Our Vision

Empower our region's technology community through meaningful connections.

Our Target Audience

Decision Makers • Senior IT Leaders • Job Seekers • Individual Contributors
